

Walking for Dreams

...because every child deserves a home!

Family Promise Houses for Change®: Getting Kids Involved

Houses for Change® were created by the national Family Promise organization to engage youth in the issue of family homelessness and to teach kids the values of compassion, charity and saving—values that will last a lifetime.

How Does It Work?

- If you are planning to join us for Walking for Dreams on 5/20/18, this is a fun way to get your children or youth group engaged with a great cause!
 - While supplies last, you can get donation houses from Family Promise of Greater Indianapolis and list your name, email and the number you take. *(If houses are not used, we request their return as we pay a small fee per box to the national office.)*
 - Children then decorate/color their own box to look like a house.
 - Children use their houses to collect Walking for Dreams donations from family, friends, neighbors, and congregation members.
- Prior to bringing houses on Walk Day (5/20/18), gifts should be totaled with any donated coins rolled ahead of time.
 - Children complete information at the bottom of this form and place inside donation box (or own large envelope) with collected money.
 - Team name and total amount collected should be written in large letters on outside of donation box/envelope and turned in at walk check-in table.
 - Then walk with your child(ren) and celebrate their hard work!

To register yourself and your child(ren) for the walk on Sunday, May 20, go to www.walkingfordreams.org. Questions? Contact Carmela Rosner at 317-261-1562 or at carmela@fpgi.org.
