**Authorization** –In order to be a participant in the Diversion Program of Family Promise of Greater Indianapolis, Inc., I understand that consumer reports which may contain public record information may be requested to assist me in understanding what property managers and owners will discover as I apply for permanent housing. Family Promise staff will use these reports in consideration of their navigation and support of my housing search. These reports will include criminal records from federal, state and other agencies which maintain such records. These reports will also include credit history from three credit agencies that maintain such records. I hereby authorize procurement of consumer report(s). If approved as a participant, this authorization shall remain on file and shall serve as ongoing authorization for you to procure consumer reports at any time during my participation in the program.
